Element by Fuego represents the start of something new. It's flaunt-free intelligence. It's the cool of innovation, the no-nonsense of functionality, the joy that comes with discovering the next big thing. And, in this instance, it's the Element grills—the hottest thing to hit the barbecue since the burger.

### Dual Zone Burner

Grilling with the powerful 24,000 btu/hr dual zone burner distributes heat evenly over the entire 21" grill surface.

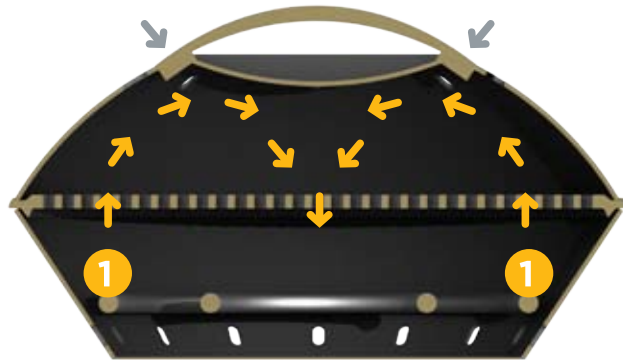

### Patent Pending Control Valve

Element's unique single dial control gives you full command over dual zone burner selection as well as choices of high to low temperature settings.

### Direct cooking Zone 1+2

For the optimal open grilling experience, adjust the temperature from high to low covering the entire grill surface with both zone 1 and 2 burners.

### Indirect Cooking Zone 1

Barbecue or slow roast with the fully independent outer burner. With the lid closed, the adjustable 15,000 btu outer burner creates convection like cooking.

### Grilling

With its full-throttle 24,000 btu Dual Zone Burner, Element sizzles up high-temperature searing and grilling in style.

### Barbecue and Roasting

We're talking about love, people—about meat-falling-off-the-bone beauty, about hours of tenderizing perfection.

### Pizza Stone Baking

What's it going to be? Garlic and pesto? Sausage and olives? Thin or thick crust? Pizzas are easy with our optional 20" Pizza Stone.

### Giddle Flat Plate

Hot-sear and grill peppers and onions, Steak Florentine or shrimp in the shell with Element's optional cast iron hot plate.

# Portable Gas Grill

[elementbyfuego.com](http://elementbyfuego.com)

A woman with dark hair, wearing a black and white striped short-sleeved shirt and denim shorts, is walking on a grassy dune. She is carrying a red and black portable gas grill under her arm. The background shows a blue sky and the ocean. The text is overlaid on the right side of the image.

The Element Portable Gas Grill. Gear up for tailgating, hand-toting, fold-and-fling fun on the go. We're talking the Element Portable—a grill so hot it won't stay put.
