# HOT Sheet Goes Outdoors

## Hot WORKOUT

Forget the gym! Why not work out on the beach?! With Shape magazine's outdoor Bikini Body Tour, you can! The first stop for this fitness boot camp, taught by Equinox gym trainers, is Santa Monica, Calif., on May 16 — Shape cover girl and Victoria's Secret Supermodel **Marisa Miller** will be there! To register (time's running out!), go to [bikinibodytour.com](http://bikinibodytour.com). Each class is \$10; proceeds benefit charity.

## Hot GRILL

Maybe you've heard of the Fuego 01 — an incredibly high-tech, super-sexy \$3,500 grill. Now the same designer has created the Element by Fuego barbecue, a smaller version (27" wide) at a fraction of the price:

about \$400!

For a little extra, you can purchase different tops to turn your BBQ into a pizza stone, a convection oven or even a griddle. Choose from four styles: stainless steel, red, white and dark gray. [elementbyfuego.com](http://elementbyfuego.com)

## Hot RIDE

**Rebecca Romijn and Jerry O'Connell** are fans of this Cynthia Rowley Tandem Beach Cruiser with Baby Seat, according to company reps. This stylish bike has room for two adults plus baby — one twin at a time for Rebecca and Jerry — so the family can get out and enjoy the ride! At \$1,200, the item's a splurge — but it's three bikes in one. Totally worth it! [cynthiarowley.com](http://cynthiarowley.com)

## Hot HOBBY

Take a cue from Michelle Obama and get your hands dirty — in the garden! Here, she plants the first White House vegetable garden since Eleanor Roosevelt was First Lady! In addition to providing fresh produce, like arugula, berries and cilantro, for the First Family's meals, the garden encourages eating locally grown fruits and veggies. So make like Michelle and try out your green thumb. A great starter set: Gardening Tool Kit, \$36, [target.com](http://target.com)

## Hot CARRYALL

Nothing beats a picnic on a pretty spring day! And with the Avalanche Green Rolling Picnic Cooler from Bed Bath & Beyond, you'll have everything you need to dine al fresco. The rolling bag has a large section with waterproof lining and Thermoguard insulation to house edibles and drinks plus four plates, napkins, tumblers and cutlery sets. It also comes with a tablecloth, a cheese knife and more. Food and beverages not included! \$150, [bedbathandbeyond.com](http://bedbathandbeyond.com) ★
